Professional Summary

A highly motivated student with a blend of retail, customer service, and front-end work experience, seeking a part-time role. My strong work ethic and communication abilities, honed in retail and front-end roles, enable me to deliver exceptional service and meet high standards consistently. Eager to apply these skills and my enthusiasm to a part-time job, I am confident in my ability to enhance the customer experience in any team.

Education

University of Alberta

Bachelor of Science in Computing Science (Honors)

Edmonton, AB

September 2023 - Present

Work Experience

University of Alberta

UASU Academic Tutor

Edmonton, AB

July 2024 - Present

- Improved course comprehension for 30+ students by delivering one-on-one tutoring across first- and second-year CS/math courses, tailoring sessions to individual learning gaps.
- Raised average assignment and exam scores by 12% by developing structured study plans and targeted homework review sessions.
- Maintained an 80% session rebooking rate by building trust through consistent, encouraging instruction.

Costco

Front End Assistant

Sherwood Park, AB

April 2024 - Present

- Processed on average 60+ MPH (Members Per Hour) with 28+ IPM (Items Per Minute), totaling 2,400+ transactions weekly with 99% accuracy in a high-volume, fast-paced front-end environment.
- Resolved member service issues on the spot, contributing to a front-end team recognized in the top 10% for member satisfaction scores.

Wholesale Club

Cashier

Edmonton, AB

July 2024 - September 2024

- Processed transactions accurately and efficiently, handling cash, credit, and debit payments while maintaining a balanced cash register.
- Provided outstanding customer service by addressing inquiries, resolving issues, and ensuring a positive checkout experience.
- Collaborated with team members to maintain smooth operations during peak hours, minimizing wait times and enhancing overall efficiency.
- Ensured store policies and procedures were followed, including age verification for restricted products and proper handling of returns and exchanges.

CDS

Advisor Sales

Nisku, AB

November 2023 - January 2024

- Specialized in lively product demos that increased sales of relevant products at Costco by 40%. For example, I increased sales of Bakery Items by 20% through engaging product demonstrations.
- Customers consistently rated my demos as informative and helpful. Here's a specific example: 'Aditya's knowledge of the product and engaging presentation made my decision to buy so much easier!'

Astha Maternity And Nursing Home

Front Desk Administrator

Ahmedabad, IN

September 2021 - April 2023

- Managed scheduling for 100+ appointments monthly, reducing scheduling errors and double-bookings by 30%.
- Maintained accurate records for 150+ client case histories across internal and external systems.
- Improved client satisfaction by resolving 90% of concerns at first point of contact without escalation.

Volunteer Experience

Local Hospital

Social Assistance Volunteer

Ahmedabad, IN

August 2020 - March 2022

- Provided emotional support and guidance to patients, alleviating anxiety and enhancing their hospital experience.
- Ensured patient comfort by promptly fulfilling requests for amenities and assisting with administrative tasks.
- Received positive feedback from patients and staff for my empathetic and professional approach.
